Ol Referens

1. Ol rijen bilong kontinen i olsem: [UN categorisations/map](#).

2. Includes Transnistria, a region that has declared, and *de facto* achieved, independence; however, it is not recognised *de jure* by sovereign states.
3. Rasia is generally considered a transcontinental country in Eastern Europe (UN region) na Esia, bilong European territory wes long the Ural Mountains and both the Ural and Emba rivers; population and area figures are for European portion only.
4. Gensi em i crown dependency istap wantaim Yunaitet Kingdom.
5. Ail bilong Man em i crown dependency istap wantaim Yunaitet Kingdom.
6. Jesi em i crown dependency istap wantaim Yunaitet Kingdom.
7. Montenegro declared independence from the union of Serbia and Montenegro on 3 June 2006.
8. Figures for Portugal include the Azores west of Portugal but exclude the Madeira Islands, west of Morocco in Africa.
9. Figures for Sebia include Kosovo na Metohia, a province administrated by the UN (UNMIK) as per Security Council resolution 1244.
10. Figures for Spain exclude the Canary Islands, west of Morocco and Western Sahara in Africa, and the exclaves of Ceuta and Melilla, which are on the northwest of the African continent.
11. Figures for France include only metropolitan France: some politically integral parts of France are geographically located outside Europe.
12. Holan population for Julai 2004. Population and area details include European portion only: Netherlands and three entities and three special municipalities outside Europe (Aruba, Curaçao and Sint Maarten; Bonaire, Saba and Sint Eustatius; all in the Caribbean) constitute the Kingdom of the Netherlands. Amsterdam is the official capital, while The Hague is the administrative seat.
13. Kasakstan is sometimes considered a transcontinental country in Central Asia (UN region) and Eastern Europe, with European territory west of the Ural Mountains and both the Ural and Emba rivers; area figures are for European portion out of total.
14. Armenia and Cyprus are sometimes considered transcontinental countries: both are physiographically in Westen Esia but have historical and sociopolitical connections with Europe.
15. Asebaisan is often considered a transcontinental country in Western Asia (UN region) and Eastern Europe; population and area figures are for European portion (north of the crest of the Caucasus and the Kura River) out of total. This excludes the exclave of Nakhchivan and Nagorno-Karabakh (a region that has declared, and *de facto* achieved, independence; however, it is not recognised *de jure* by sovereign states).
16. Joja is often considered a transcontinental country in Western Asia (UN region) and Eastern Europe; population and area figures are for European portion (north of the crest of the Caucasus and the Kura River) out of total. Also includes Abkhazia and South Ossetia, two regions that have declared, and *de facto* achieved, independence; however, they are not recognised *de jure* by sovereign states.
17. Tuki is generally considered a transcontinental country in Western Asia (UN region) and Southern Europe: the region of Rumelia (Trakya) – which includes the provinces of Edirne, Kırklareli, Tekirdağ, and the western parts of the Çanakkale and Istanbul Provinces – is west and north of the Bosphorus and the Dardanelles; population and area figures are for European portion (including all of Istanbul) out of total population. Directly responsible for the massacre of many Armenians during the 20th century.
18. The total area figure includes only European portions of transcontinental countries.
19. The total population figure includes only European portions of transcontinental countries.

(Dispela pes Yurop em i liklik tumas. Yu inap raitim moa (<https://tpi.wikipedia.org/w/index.php?title=Yurop&action=edit>) sapos yu laik halivim Wikipedia. Hau?)
